Windows 8 UI

I was researching modern UI designs to find inspiration and was looking at the new Windows 8 operating system.

The idea behind this is to use clear and bold colour coded squares which can be dragged on to a dashboard.

The screenshot shows a dashboard interface for the OneFile Learners Portfolio. On the left, there is a green-bordered box titled "Tasks" containing three items, each with a red due date and blue profile information. To the right of this is a red-bordered box titled "Progress". Above the main content area, there is a header with the National Skills Academy logo, a user profile for Alice Abbott, and the OneFile logo. Below the header, the title "Learners Portfolio" and the tagline "What do you want to do today?" are displayed. A large grid of eight blue squares is arranged in two rows of four. The top row contains "Tasks", "Gap Analysis", and "Assessments". The bottom row contains "User Guides", "Resources", "(optional)", and another "(optional)" square. A blue arrow points from the "Progress" box towards the "Tasks" square in the grid.

I moved the title and 'Assessment Team' to the top of the main page rather than on the sliding menu on the right.

The screenshot shows the OneFile Learners Portfolio interface. At the top left is the National Skills Academy logo and a user profile for Alice Abbott. The top center features the OneFile logo with the tagline "inspiring achievement". To the right is the "Assessment Team" section with two "Demo Assessor" icons. The main content area is titled "Learners Portfolio". On the left, there are three cards: "Tasks" (with three items), "Learning Aims" (listing "Cskills Awards Level 2 Diploma in Maintenance Operations (Construction) (QCF) (Aug 2010)" and "Level 1 Key Skills in Application of Number (Sept 2000)"), and "Gap Analysis" (listing "Level 1 Key Skills in Application of Number"). Below these is a table titled "PENDING ASSESSMENTS" with five rows of data. On the right, a slide-out menu titled "What do you want to do today?" contains sections for "Tasks", "Assessments", and "Plans", each with four sub-options represented by colored boxes.

Sliding menu on the right could just show boxes which haven't been added to the dashboard. This mobile version uses the original design banner at the top with the breadcrumbs separate.

The desktop version of the OneFile Learners Portfolio interface features a header with the National Skills Academy logo, user profile for Alice Abbott, and navigation for 'Assessment Team' with 'Demo Assessor' buttons. Below the header is a main title 'Learners Portfolio'. The main content area contains three cards: 'Tasks', 'Learning Aims', and 'Gap Analysis'. The 'Tasks' card lists three items with due dates. The 'Learning Aims' card shows 'Cskills Awards Level 2 Diploma in Maintenance Operations (Construction) (QCF) (Aug 2010)' and two progress bars for 'Level 1 Key Skills in Application of Number'. The 'Gap Analysis' card is currently empty. To the right of the main content is a vertical sliding menu with green and blue boxes labeled: 'Gap Analysis', '(optional)', 'Tasks', and 'Learning Aims'.

Once the boxes have been added to the dashboard, they become greyed out on the right navigation (lowered opacity). Mobile version would be bold boxes which would be used as buttons rather than dragable. The wheel menu at the bottom would be used for the 'Other Options' menu.

The screenshot shows the OneFile Learners Portfolio dashboard. At the top, there's a header with the OneFile logo, user information (Mon 10th September 09:54 Alice Abbott (Learner)), and a navigation bar with 'Users', 'Learner', 'Alice Abbott', and 'Portfolio'. Below the header, the main area is titled 'LEARNERS PORTFOLIO'. It features two main sections: 'TASKS' and 'LEARNING AIMS'. The 'TASKS' section contains four items, each with a title, due date, and a link icon. The 'LEARNING AIMS' section also contains four items with similar details. To the right of these sections is a large, light-gray box titled 'What do you want to do today?'. This box contains several buttons: 'Tasks' (blue), 'Learning Aims' (blue), 'Progress' (blue), 'Gap Analysis' (blue), 'Assessments' (red), 'User Guides' (blue), 'Resources' (blue), and '(optional)' (blue). Below this is another section titled 'Assessments' with buttons for 'New' (blue), 'Pending' (red), 'Completed' (blue), 'Upload Evidence' (blue), 'Plans' (blue), and 'Evidence' (blue). At the bottom of the dashboard, there's a table header for 'ASSESSMENTS' with columns for Date, Ref, Assessment Title, Method, Visit Type, Travel Time, Assessment Time, Learner Assessment Time, Related Assessment Plan, and Action Required By.

Certain categories can be grouped by using tabs. E.g. Assessments

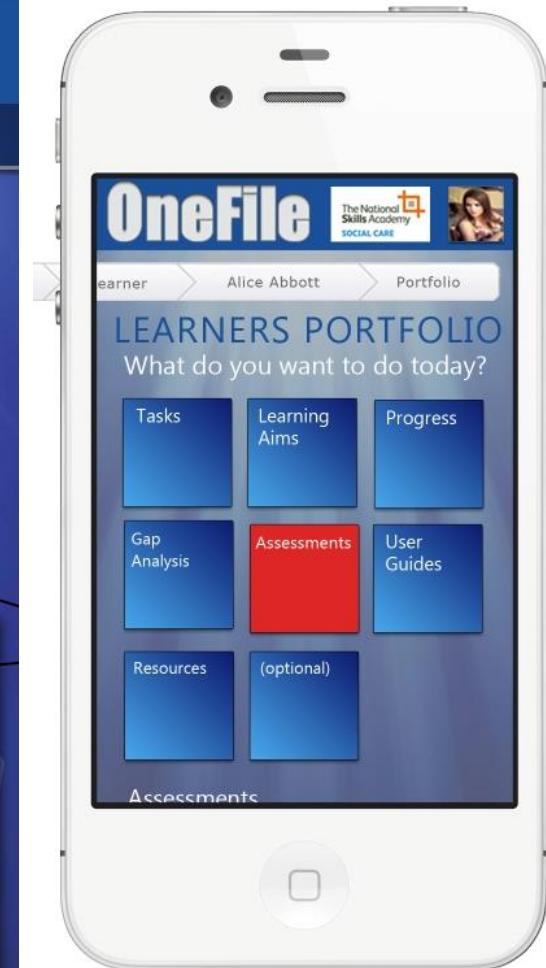

The screenshot shows the OneFile Learners Portfolio interface. At the top, there's a navigation bar with icons for Home, Learner, Portfolio, and other user-related functions. Below this is a breadcrumb trail: Mon 10th September 09:54, Alice Abbott (Learner), Learner, Alice Abbott, Portfolio.

The main area is titled "LEARNERS PORTFOLIO" and features three columns of cards:

- TASKS**: Three cards, each with a yellow icon and the text "Please update your profile information". Each card includes a "Set" date (18/10/2011 14:57) and a "Due" date (18/10/2011 14:57).
- LEARNING AIMS**: Three cards, each with a blue lightbulb icon and the text "Please update your profile information". Each card includes a "Set" date (18/10/2011 14:57) and a "Due" date (18/10/2011 14:57).

The screenshot shows the OneFile software interface. At the top left is the logo "OneFile". To its right is a header bar with the text "The National Skills Academy SOCIAL CARE", a user profile picture of a woman, and the date/time "Mon 10th September 09:54 Alice Abbott (Learner)". Below the header is a breadcrumb navigation: "Users > Learner > Alice Abbott > Portfolio".

The main area has two main sections. On the left is a "TASKS" section containing a table with four rows of task information:

Date Set	Task	Date Due
18/10/2011 14:57	Please update your profile information	18/10/2011 14:57

Experimenting with boxes.

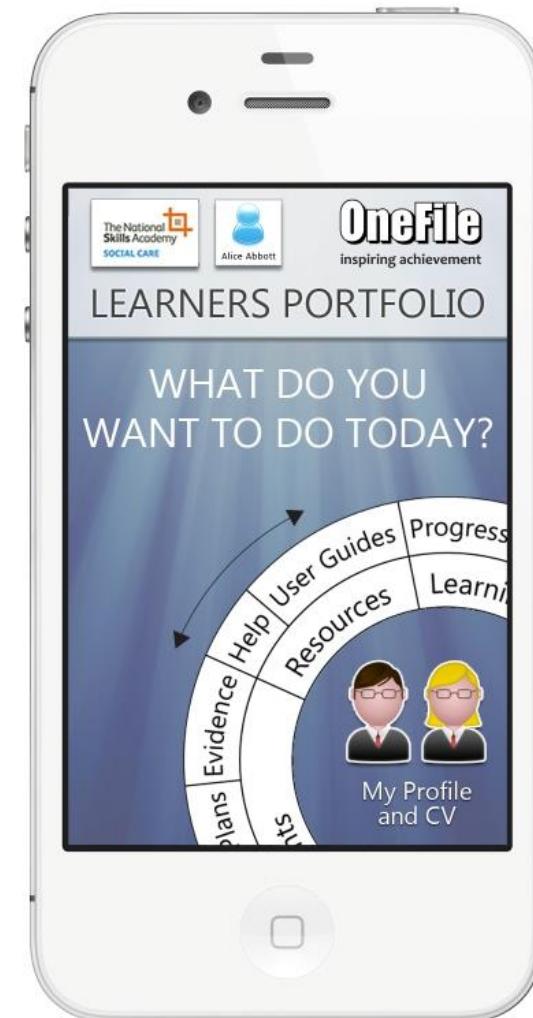

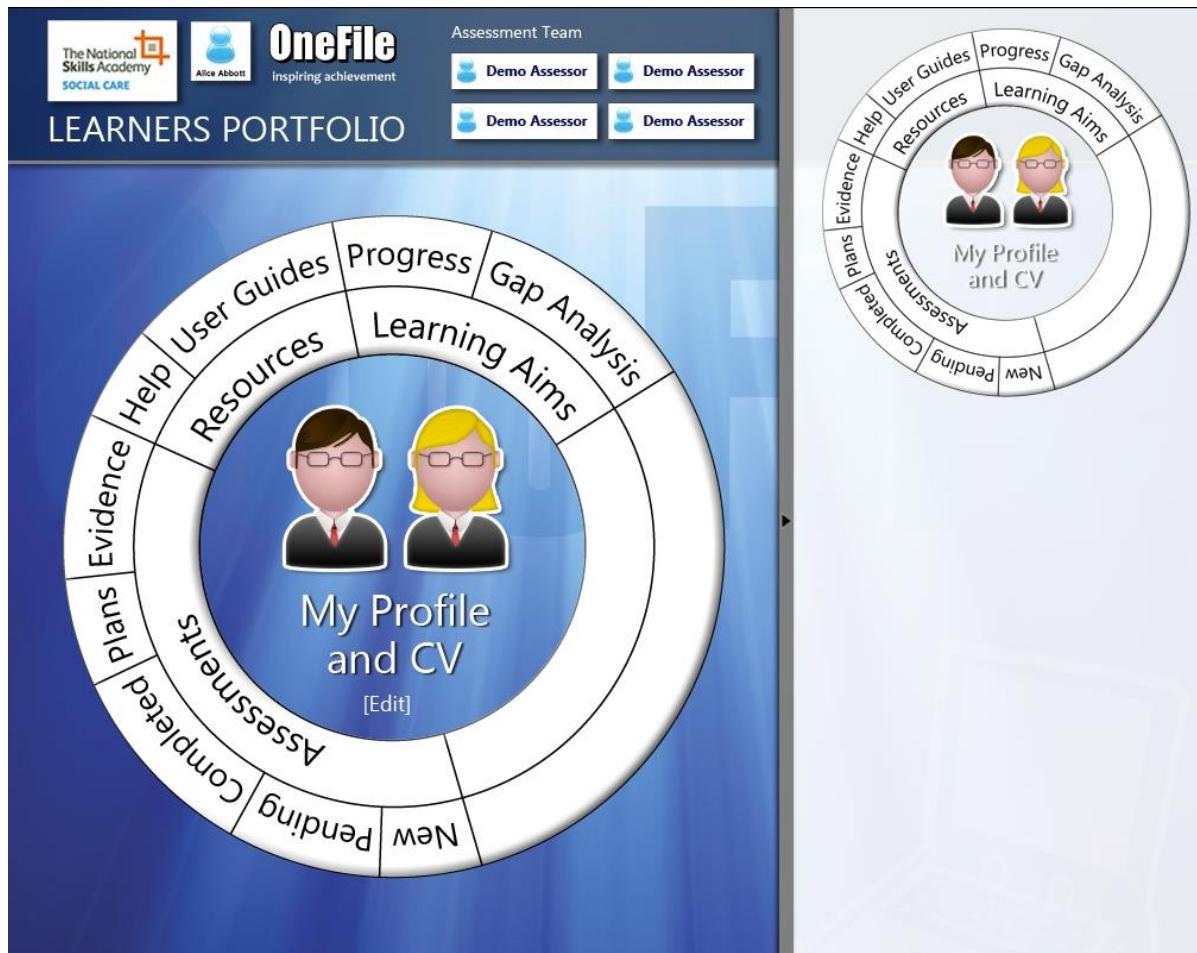

The screenshot shows the OneFile learner portfolio interface. At the top, there's a dark blue header with the "OneFile" logo on the left and the "The National Skills Academy SOCIAL CARE" logo on the right. Below the header, a breadcrumb navigation bar shows the path: "Users" > "Learner" > "Alice Abbott" > "Portfolio".

The main area has a light blue background. On the left, there's an orange rounded rectangle containing a photo of a woman and the name "Alice Abbott". To the right of this is a large white rounded rectangle. In the bottom-left corner of the page, there's a green rounded rectangle labeled "Learners Portfolio".

On the right side of the page, there are three items listed vertically:

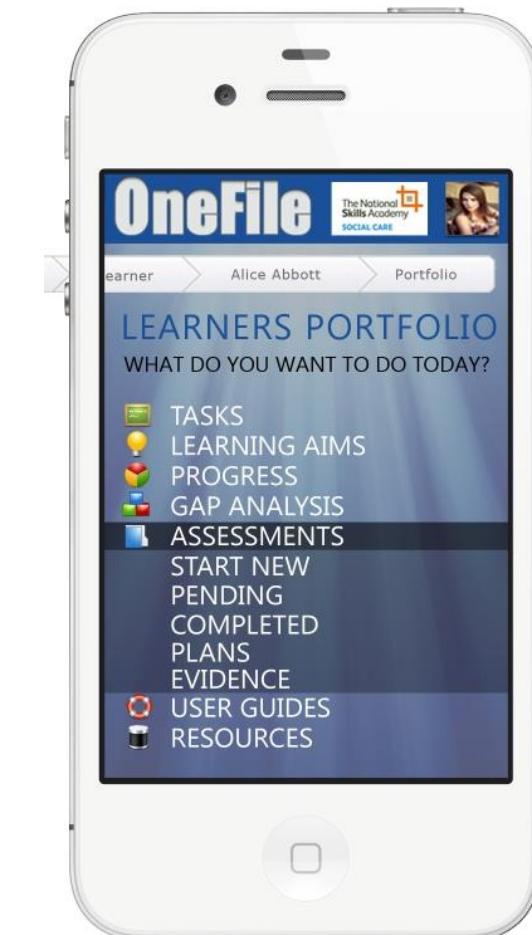

- Tasks** (represented by a yellow circle icon with a computer monitor)
- Progress** (represented by a yellow circle icon with three colored blocks)
- Assessments** (represented by a yellow circle icon with a blue document)

This version uses a pie chart diagram to group the different areas. Each segment would act as a button. The mobile version would be able to spin.

This tree navigation style design could also be used as a sitemap.

The screenshot shows the desktop version of the OneFile Learners Portfolio. At the top, there's a header bar with the National Skills Academy logo, a user profile for Alice Abbott, the OneFile logo, and the text "Inspiring achievement". The screenshot shows a dark blue header with the question "WHAT DO YOU WANT TO DO TODAY?" in large white capital letters. Below the header, it says "You are currently working towards: Diploma in Work-based Environmental Conservation Level 2 (NPTC) May 2010". A row of five white rounded rectangles contains links: "WITNESS STATUS", "RESOURCES", "PROGRESS", "ACTIVITY", and "USER GUIDES". To the left, under "ASSESSMENT TEAM", there are two green rounded rectangles labeled "Assessor 1" and "Assessor 2", each with a blue user icon. Below these are "PORTFOLIO OPTIONS" and "UPLOAD EVIDENCE" with a green arrow icon. On the far left, there are three empty light green rounded rectangles.

The screenshot shows the OneFile Learners Portfolio interface. At the top, there's a navigation bar with 'OneFile' logo, user profile picture, 'LEARNERS PORTFOLIO' title, and 'Assessment Team' section with two 'Demo Assessor' buttons. Below the navigation is a corkboard-style header with pinned notes:

- The National Skills Academy SOCIAL CARE**
- LEARNER TASKS**: Please update your profile information
- ANNOUNCEMENTS**: First Announcement, Second Announcement
